

WE ARE HIRING

AN EXCITING OPPORTUNITY FOR 3RD AND 4TH YEAR APPRENTICES TO JOIN OUR ELECTRICAL MAINTENANCE AND CONSTRUCTION TEAM

About the role

Watrix are a highly regarded electrical contractor and global mining service provider based in Bayswater. This is an exciting opportunity for an enthusiastic 3rd or 4th year apprentice to support our Electricians with maintenance as well as residential and commercial installations. You should be willing to learn, technically minded, proactive and look for ways to add value for our team and our clients.

Required skills

The successful candidate would ideally have:

- An eye for detail
- Be well presented
- Positive attitude
- Excellent communication
- Willingness to learn on the job
- Self-motivated

What are we looking for?

The successful candidate must have:

- Current driver's license
- Own vehicle
- White card
- Some of their own tools
- Ability to work full time hours

What is on offer?

- Competitive hourly rate
- Uniform
- Busy and varied role
- Excellent working environment in a stable growing company

Applications should be submitted in writing including your resume to admin@watrix.com.au
